Re Remission of Rs 813-3-0 being the shandy fees due by the contractor, to the Kunigal Town Municipality, during the year 1941-42

In forwarding herewith in original, the connected records received from the President Town Municipal Council, Kunigal on the above subject, I have the honor to state as follows -

The President states that the collection of the shandy fees was leased out on contract to one Mohamed Khan for the bid amount of Rs 3,165/- during the year 1941-42 payable in twelve monthly instalments of Rs 263-12-0 each Owing to the out-break of plague in the town from the month of November 1941, the shandy could not meet and as a result of it the contractor presented an application to the Municipal Council praying for the remission of the amount till the 2nd February 1942 The application was placed before the Municipal Council, at their meeting held on 2-1-1942 and it was resolved that the contractor may be shown concession by way of remitting a sum of Rs 725-5-0 as detailed below -

1	From November 1941 ¾ths of the khist amount	Rs	197-13-0
2	December 1941 and January 1942 entire amount since temporarily suspended as per District Magistrate's Order		527- 8-0
			725- 5-0
3	Subsequently they have resolved at their meeting held on 28-4-42 that 1/3rd of the khist amount for Feb 42 may be remitted		87-14-0
			813- 3-0

According to the sale istihar, the Contractor is not entitled to any concession for the loss occasioned by the out-break of the plague epidemic But however he is entitled to some concession under Rule 4 of the Notification No L 8965/M1 89-40-25 dated 16th May 1941 and the remission if granted being proportionate to the loss incurred

'V' Machine not readable

It is seen from the resolution of the Council that the shandy did not meet from 5th November 1941 due to the epidemic and that it was temporarily suspended by the District Magistrate for a month from the 18th December 1941 and later on extended for a further period of 15 days, till 2nd February 1942 I am of opinion that half the khist may be remitted during the period the shandy did not meet from 5th November 1941 to 17th December 1941 and full khist during the period the shandy was suspended as per District Magistrate's Order from 18th December 1941 to 2nd February 1942 The amount will be as follows -

From 5th November 1941 to 17th December 1941 (one month and 13 days) at Rs 263-12-0 per month would be Rs 374-4-0 (demand)

Proportionate (half) amount to be remitted would be Rs 187-2-0

From 18th December 1941 to the 2nd February 42(one month and 15 days) he is entitled to full remission as the shandy was closed in accordance with the District Magistrate's Order and the amount being Rs 395-10-0

In all a sum of Rs 582-12-0 due by the Contractor will have to be remitted

I request that in the circumstances stated above, sanction of Government may be kindly obtained to remit a sum of Rs 582-12-0 as the shandy did not meet on account of the plague epidemic in the town

I have the honor to be,
Sir,
Your most obedient servant,
